

Adoption Application

Newfoundland Health
and Rescue, Inc.

Thank you for your interest in adopting a Newfoundland through Newfoundland Health & Rescue, Inc. Our highest priority is to “make a match” for each of our Newfoundland Rescues with their forever family. As you complete the application keep in mind that Newfoundlands are a Giant breed that can live for 10-12 years or longer. They have heavy fur coats that need constant grooming. Newfs drool! NH&R strongly recommends that you and your Newfoundland enroll in an obedience class. Newfoundlands need regular exercise, good leadership, basic obedience training, nutritious food, regular veterinary care and lots of love and attention. Serious consideration should be made to the suitability of being owned by a Newfoundland!

Please complete the application (in ink). If you need more space, please use a separate sheet.
